Yakima, WA 98901

## Wyoming

Wyoming Children's Water  
Festival Foundation  
1500 SW Wyoming Blvd  
Casper, WY 82604

### The Small Print

1. Art work must be 24 by 30 inches overall or smaller, including optional mat.
2. Entries will be judged on the basis of creative thought, sound principles, and artistic rendition. Teacher and parental input is acceptable in development of the theme and principles upon which the art work is based, but such assistance must result in the student's understanding of the end thoughts and principles. The artistic rendition must be accomplished solely by the student. Teachers and parents may instruct and demonstrate, but may not participate otherwise in the rendition. Combined entries resulting from cooperative efforts of two or more students are not eligible.

3. Entries become the property of the International Office for Water and Science Education and may be used by the organization for educational purposes.
4. Entries will not be returned and will be disposed of unless accompanied by a \$5.00 return postage and handling fee.
5. Teachers are responsible for judging at the classroom level. They may request assistance from PTA volunteers, community artists, and/or local "water experts."
6. Each elementary school may submit one entry per grade (3-6) for state judging. State coordinator may choose to expand contest on local level.
7. Winning entrants give permission to post their work and photos on the Internet and in publicity media.

## 2004-2005 Water Education Poster Contest — OFFICIAL ENTRY FORM

(Must be glued or taped to the back of each grade level winner's poster)

*Send your top artist's pictures, a maximum of one per grade (3-6), to your state sponsor prior to the March 31, 2004 deadline. Duplicate form as needed for each entry.*

**Theme: "Water in Use"**

### STATEMENT OF ORIGINALITY

I affirm that this art work is my own work, totally, without assistance of a guiding hand. (If parents, teachers, or other individuals have aided in the development of themes and principles upon which this work is based, it is done with the stipulation that the student now has mastery of them.)

Permission is hereby granted to the International Office for Water and Science Education (IOWSE) and its agents to retain this art work for up to one year, and to dispose of it after said date (unless the entry is accompanied by a \$5.00 return postage and handling fee). Permission is also hereby granted to duplicate it and/or a picture of myself, and to use these or their facsimiles for educational purposes, including fund-raising with no expectation of remuneration for an indefinite period of time. The IOWSE can make no guarantee against damage or loss of any contestant entry. Care will be taken to safeguard the work. Submission of work constitutes acceptance of the above conditions.
